Courthouse COVID-19 Guidelines
Effective: Immediately

The Judges of the Court of Common Pleas, in conjunction with the Judge of the Probate and Juvenile Court, have reviewed the Centers for Disease Control and Prevention's (CDC's) most recent guidance, which recommends fully vaccinated people also wear facial coverings while in public indoor settings in areas of "substantial" or "high" transmission, as defined by the CDC. Data from Monday, August 23, 2021, through Sunday, August 29, 2021, ranks Wayne County, Ohio as an area of high COVID-19 transmission. Given this high level of community transmission, and in accordance with the CDC's guidance:

Effective immediately, and until further notice, facial coverings will be required in all common areas of the Wayne County Common Pleas Court, including the common areas of the Probate and Juvenile Court.

Each hearing officer will control whether facial coverings are required in his/her respective courtroom.

The above facial covering requirement applies to all staff, visitors, and participants while in all common areas of the Wayne County Common Pleas courthouse, regardless of vaccine status.

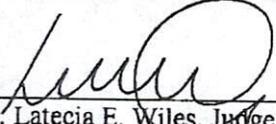

If you are in need of a facial covering, disposable masks will be available at Common Pleas Security.
