Local Rule 8.1 COURT APPOINTMENTS

Persons desiring appointments should request their name be added to the list and provide the Court with a summary of their qualifications, if so requested by the Court.

Where the method of court appearance is not solely in person, the Court will issue an order, citation, or notice clarifying the method of appearance.
- (B) Parties and counsel may request a particular medium for any given hearing, and the Court may – if otherwise permitted by law – sua sponte schedule a hearing to occur by a particular medium. In determining what medium to hold a hearing, the Court will consider the nature of the hearing, the parties' technical capabilities, the parties' wishes, the status of service on necessary parties, and the types of evidence anticipated for the hearing. None of these factors is dispositive in this analysis.
- (C) Any objections by a party to the Court's determination of hearing medium shall be filed with the Court within ten (10) calendar days of the determination or order.

Local Rule 16.1 MEDIATION

- (A) Purpose: The Court establishes mediation in order to increase access to justice; to increase parties' participation in the court processes and their satisfaction with the outcome; to allow cases to settle more quickly with less expense to the parties; and to expand dispute resolution resources available to the parties. This Court incorporates by reference Chapter 2710 "Uniform Mediation Act" (UMA) and Rule 16 of the Supreme Court of Ohio Rules of Superintendence.
- (B) Definitions: All definitions found in the "Uniform Mediation Act" (UMA) R.C. 2710.01 are adopted by this Court through Local Rule 16, including, but not limited to the following:

Referrals can be made on the following case types: civil matters, full administration estates, releases from administration, guardianships, conservatorships, name changes, or trust proceedings.
 2. Domestic Violence: All parties and counsel shall advise the Judge of any domestic violence allegations known to them to exist or to have existed in the past, or which become known to them following entry of the order but before conclusion of all mediation proceedings, which allegations involve any two or more persons whose attendance is required by the referral order.
 3. Eligibility of Cases: The Court will determine the eligibility and appropriateness of each referral prior to the commencement of the mediation process and may decline any referral(s) deemed inappropriate.

 2. The Court shall utilize procedures for all cases that will:

- a. Ensure that parties are allowed to participate in mediation, and if the parties wish, that their attorneys and other individuals they designate are allowed to accompany them and participate in mediation.

The process server or court investigator shall file a return with the Court prior to the initial hearing, noting the date, time, and location of service. Any fees incurred by a process server shall be paid by the applicant in advance. In the event that the Court's investigator is used, the applicable fee will be assessed in the case.
